27th - 29th December - reduced staff cover for non routine treatments only

1st January 2018 - closed

2nd January onwards 8.30am - 5pm

Zones:

There will be no zone visit from 26th December to 5th January - Zones will resume week commencing 8th January 2018

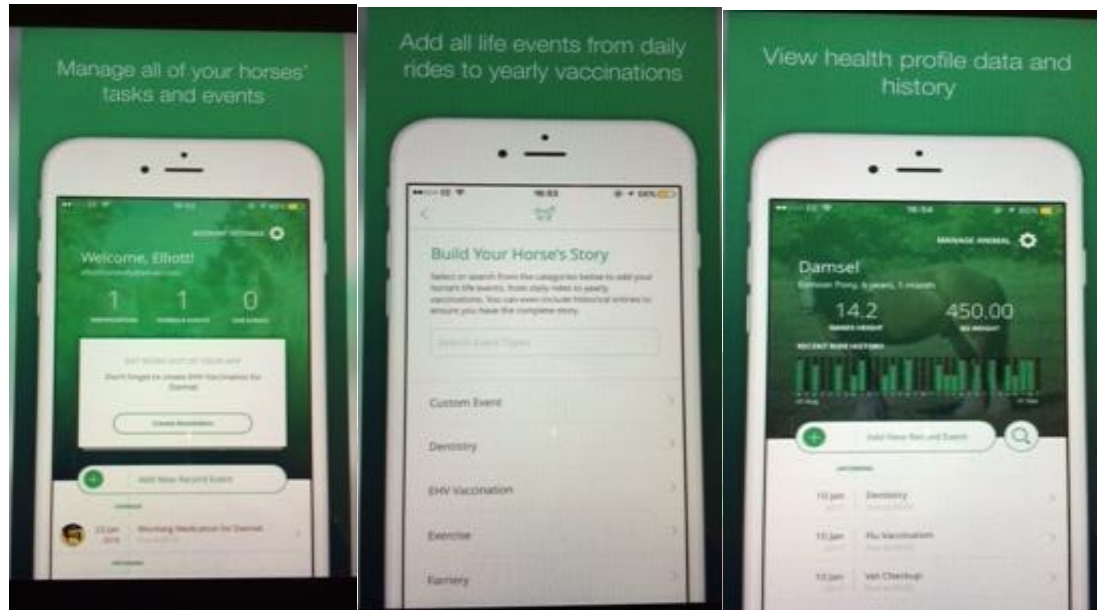

Dates for you diary: 27th February 2018 We will be hosting our Practice Evening

The main topic for the evening to be confirmed in the new year We will also be discussing how to get the most out of our new Horse dialog app The horse dialog App is designed to allow you to easily record information about your horses such as flu and tetnus vaccinations, farriery, worming It will also remind you of any forthcoming appointments you have booked. Get started with your new app for the new year. Just download the Horse Dialog App from your app store

Getting started:

Open the App store - Search for Horse Dialog in App store and click install. The App is totally free. Select allow notifications. The more detail you put into the app the more you will benefit

Available on Apple and Android phones.

To connect with McGonnell and Gillatt services and information you must input code: MANDG001
